

49 Seater Scania Touring Coach

49
seats

Coach specification

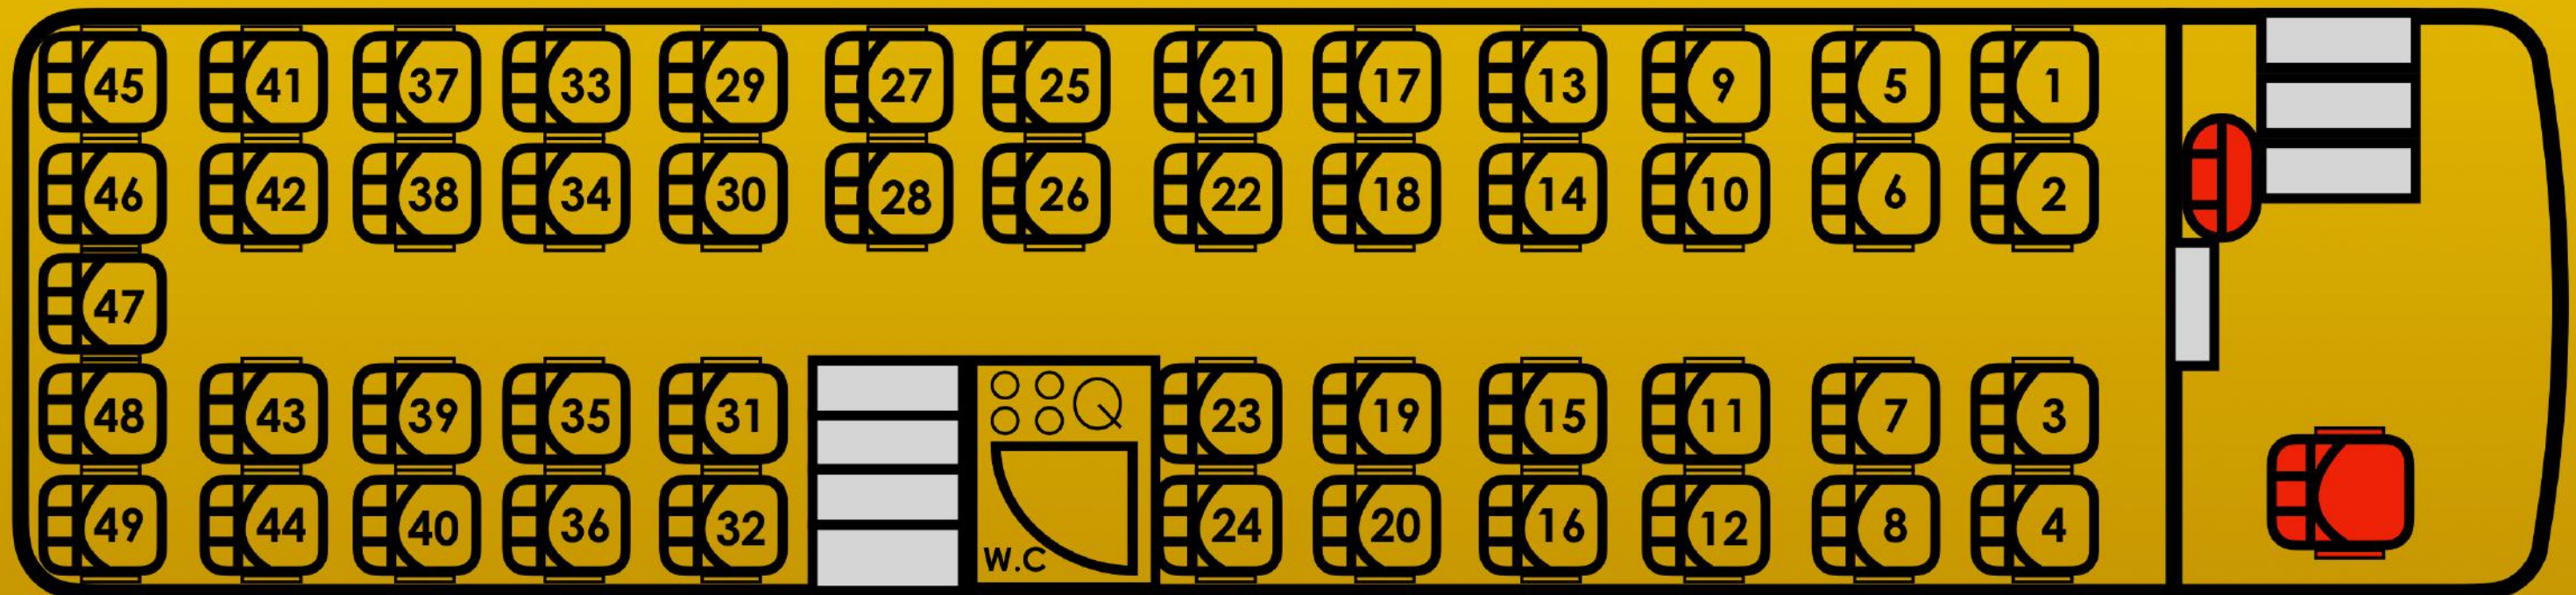

Our current 49 seater executive coach is manufactured by Scania in cooperation with Higer. The current model has a smart and modern design with a tidy interior upholstery. Being one of our more exclusive capacity executive coaches in our fleet makes it perfect for corporate groups and touring parties for luxury travel. The executive coach includes a host of features to improve your travelling experience as well as storage for your additional luggage.

- *Curtains and aisle carpet*
- *Air Conditioning*
- *Comfortable Reclining Seats & arm rests*
- *Microphone*
- *DVD Player*
- *Toilet Facilities*
- *Fold down seatback tables*
- *USB ports*
- *Three point seat belts*
- *Double Glazed Windows*
- *Hot/Cold Drink Facilities*
